THE BUSY CORNER.

Always the Best of Everything for the Least Money.

If you are a patron of our store you will know that it's Remnant Day and Housecleaning in our various departments tomorrow. No thorough housekeeper will allow her home to be neglected. It must have one day in a week by which it receives a thorough cleaning. The same case holds good in a well regulated business. If it's a busy store it won't take long to accumulate broken sizes, odds and ends, and remnants. If it's otherwise, you won't want to shop there. We have another batch of remnant values tomorrow which we know to be unusual good bargains.

7,000 Yards of New Fall Dress Goods Remnants.

These are new mill ends which no other house but us controls. There are plaids, checks, broads, and mixtures—they come in tan, gray, garnet, navy blue, and brown—the very thing for children's school dresses, and ladies' separate waists—goods worth from 15c to 25c a yard, for...

Double width Wool Cashmere Remnants, in navy, brown, tan, and black—these goods have a twill fine enough to be classed with a herringbone—come 35 inches wide, and are worth 35c a yard, for...

All-wool Black and Navy Blue Cheviot and Serge Remnants—every piece runs within a fraction of 1-2 yards wide—the same goods if bought from the piece would cost you from 75c to 85c a yard—per yard...

5 cases of new Fall French Flannellets and Wrapper Flannels, in all the newest colorings and designs—for house gowns, or even street dresses—you'll find this assortment very desirable—10c and 12-15c value, for...

5 cases of new Teazledown Outing Flannel Remnants—a full line of light and dark grounds woven with neat checks and stripes—as well as a line of plain high colored goods—these are the best of the kind that are made, and imitate the all-wool makes very closely. Per yard...

5 cases of new Sea Island Percale Remnants, 36 inches wide, representing all the new shades in old, new, and navy blue, as well as other staple colorings, in light, dark, as well as plain colors, per yard...

10,000 yards of yard-wide Bleached Muslin, such as Wamsutta, Fruit of the Loom, New York Mills, and other standard brands—they come in remnants from 1 to 10 yard lengths and represent value up to 12-15c a yard. Special...

5,000 yards of new Fall Prints—these goods are printed on standard 64 cloth—the patterns and colorings are the same as the percale designs—every yard guaranteed fast color—10, 12, and even 15 yards in a pattern, per yard...

We have on one large side table all the odds and ends in Wash Goods—these consist of lawns, dimities, batistes, and Organdies. If you have an inclination or a desire to buy goods which sold as high as 12-15c a yard, you can make your own selection at...

Third Floor—Remnant Department.

From Our Suit Department The Following Items:

27 Women's Percale Shirts Waists made with French backs—19c
23 Women's Percale Shirts Waists in light colors, 38, 40, and 42 size—25c
The balance of our White P. K. Skirts which formerly sold up to \$2.98, each—89c
23 Figured Lawn Wrappers, made with deep knee flounce, reduced to—79c

Second floor.

From Our Undermuslin and Corset Depts.

6 C. B. Corsets in light blue and pink—low bust and short hips—sizes 23, 24, and 25—\$1 number, remnant price—63c
7 Children's White P. K. Reefers made Empire cut and back, finished with round collar, edged with fine embroidery—sold for \$1.25—remnant price—68c

Second floor.

A Few Items to Go Quickly From Our Boys' Clothing Department.

Boys' wash pants, sizes 3 to 7 everything at per pair—12c
Boys' Brownie overalls, made of good quality denim—4 1/2 to 12 years—19c
Boys' golf caps made of mixed chevrons, cassimere and plain navy blue cloth—all sizes, to go at—25c

The Man in the Furnishing Department Says:

The prices on these odds and ends are made so low that the result will be a surging crowd rushing for these values:

An odd lot of about 50 dozen all linen collars—turn-over and standing, in fact, all sorts and makes—we can't guarantee any particular size, but if there is anything in the lot that'll fit you, you won't have to pay any more for them than the laundryman charges to wash them, them...

Also about 25 dozen four-ply linen cuffs—mostly 10 and 11—in plain and link styles—per pair—5c
Remember, they are all odds and ends and slightly soiled.

One lot of men's fancy stripes underwear—shirts and drawers, 23c some good sizes, which we retail at 50c, per garment—23c
1 lot of men's fancy balbriggan shirts and drawers—all colors—shirts 38 to 44, drawers 34 to 40—we've sold them when the sizes were complete 33c for \$1.00 per garment—remnant price—33c

1 lot of men's pajamas, in oxford and madras—some sold as high as \$1.50 and \$2.00 per suit—all made of excellent cloth—slightly out of order, 48c per suit—50c

Men's Department—Johnson-Luttrell Annex.

From the Housefurnishing Floor.

1 Limoges Dinner and Tea Set—new shape—finest quality—hand-painted—decorated—100 pieces—regular price \$25.00—4 pieces short \$18.50 makes it

12-piece Chamber set—finest quality of Madox china—hand-painted—decorated with hand-painted flowers and gold trimmings—\$3—soap dish and pitcher short, makes \$5.50 the price—5.50

7 Soup Tureens from broken sets—large size—neatly decorated—50c were \$1.00—for

20 fancy Bread or Cake Plates—nicely decorated—from \$1.00—9c sets—each

10 White Dinner Sets 150 pieces—new fancy shape—for \$2.98

25 dozen Odd Plates, handsomely decorated with assorted flowers and gold bands—worth \$1.50 a dozen 8c at each

10 dozen Water Pitchers of fine china—handsomely decorated with fine floral and gold trimmings—2.19c quart size

After calling a neighbor to assist him the door was opened and the woman found her child clasped closely in her arms. Both died soon after.

Biding His Time.
(From the Indianapolis Press.)
Winn—So you have changed your mind about deserting your party this year, have you?
Tidder—Yes. There are so many floggers that I'm afraid I wouldn't be noticed. So what's the use?

"Washington's Favorite Play-Ground."

DIED FROM BREATHING GAS.
Chicagoan Finds His Wife and Child Beyond Help.
CHICAGO, Sept. 6.—While Mrs. Johanna Hansell and her fifteen-month-old baby were dying from the effects of illuminating gas, Frederick Hansell, the husband and father, sat reading a paper, unconscious of what was going on.

The husband returned from work at 6 o'clock, and not finding his wife and young child, thought they had gone to visit neighbors. To pass the time he returned he sat down and began to read. Finally he smelled gas. He traced the odor to the kitchen and found the door locked. He climbed on a chair, looked through the glass transom, and saw his wife and child lying in bed.

After calling a neighbor to assist him the door was opened and the woman found her child clasped closely in her arms. Both died soon after.

AFFAIRS OF THE DISTRICT

Commissioners Wish to Restrain the "Merry-Go-Rounds."

An Amendment to the Police Regulations Proposed by Mr. Ross That Imposes Further Restrictions on Them—The Sidewalk of E. McC. Jones Declared to Be Satisfactory.

District Commissioner Ross recently suggested to his associates that section 13 of article 12 of the Police Regulations be amended by inserting after the word "residents," in the fourth line of the section, the words "in each square, so that the section, as amended, shall read as follows:

"Section 13. That no merry-go-round or flying-horse machine shall hereafter be located or operated on any lot or open space without the written consent of two-thirds of the residents in each square within two squares in each direction from the place where such merry-go-round or flying-horse machine is proposed to be located."

Mr. Ross also suggested to his associates that section 14 of article 13 of the Police Regulations be amended by adding after the word "in" in line 6, the words "each of," so that the section as amended shall read as follows:

"That no circus shall hereafter be located, operated, or conducted on any lot or open space without the written consent of 75 per centum of the residents keeping house in the square in which it is proposed to locate the circus, and in each of the squares confronting such square."

In formulating his opinion on the proposed amendments Andrew B. Duval, the Attorney for the District, says: "The sections as thus amended will require the written consent of residents in each square within the required distance of the proposed location. I am of the opinion that the Commissioners have authority to make police regulations concerning the location of an occupation which in its operation, extension, or necessary interference with the comfort and peace of the neighborhood. The regulations, if reasonable and not in fact prohibitory, are sustainable."

I would suggest, that section 13 of article 13 be amended so as to require the consent of residents keeping house thus:

"Section 13. That no merry-go-round or flying-horse machine shall hereafter be located or operated on any lot or open space without the written consent of two-thirds of the residents keeping house in each square within two squares in each direction from the place where such merry-go-round or flying-horse machine is proposed to be located."

"This would conform with the provision on that subject in section 14, article 13, and also with a like provision in the act of Congress relating to the sale of intoxicating liquors in the District."

E. McC. Jones, of 1505 Pennsylvania Avenue northwest, recently wrote to the Commissioners complaining of the condition of the sidewalk in front of premises 1102 First Street northwest. This was a letter in reply to a communication from the Commissioners stating that they did not think it advisable to repair the sidewalk as requested in a former letter from Mr. Jones. He states that he is not satisfied with the decision and claims his right as a citizen and taxpayer to be heard in the matter.

Mr. Jones charges a lack of consistency in the position of the Commissioners in that they promptly replaced the inner portion of the sidewalk in front of the premises, leaving the outer portion in such a state of disrepair. He further states that his sidewalk has settled at least an inch, and that the faulty draining causes there by will result in damage to his property.

In passing upon the complaint at the time of the former letter Capt. H. C. Newcomer, Assistant to the Engineer-Commissioner, recommended that the complaint be not considered it advisable to relay the rear portion of the sidewalk. "It is true," he said, "that the rear has slopes toward the parking, as stated in the complaint, but there is a terrace several feet high in the parking and a considerable longitudinal slope to the pavement. Therefore it is not considered that the property is exposed to any damage on account of any defective transverse slope, nor is it justifiable to incur the expense of relaying this portion of the walk."

C. B. Hunt, the Consulting Engineer, in reporting upon Mr. Jones' complaint, stated that he has personally examined the sidewalk in question and he recommends that the complaint be advised that no reason appears on a reconsideration of the case for a modification of the decision conveyed to him in the letter of the Commissioners.

George H. Bliss & Co., attorneys for Mrs. Margaret L. Gaddis, recently made application to the Commissioners for the refund of four years' taxes on a shed on lot 81, square 222, in the amount of \$18. The application having been referred to the Assessor for investigation and report, a statement was made by the Board of Assistant Assessors to the effect that in the triennial assessment for 1896-1899 the field book shows that the lot in question was visited, and that on December 1, 1897, there was returned a frame shed on said lot valued at \$300. It is stated further that the board was not advised until after the fact that the shed had been removed. On this information the board visited the square and found that the shed had been removed, and made a return of it to the Assessor as being off the tax list of 1897.

E. W. W. Griffin, the Assessor, in transmitting the report of the Board to the Commissioners mentions an affidavit that the shed in question was destroyed by a storm in the fall of 1896, but that in view of the statement of the Board of Assistant Assessors, his office is powerless to abate the tax on the improvement on said lot.

In this report E. G. Davis, the Collector of Taxes, also concurs.

John B. Brady, the Inspector of Buildings, has formally requested of the Engineer Department that the grounds of Hubbard School be enclosed by a fence as provided for by the act of Congress. He requests that the fence be about seven feet high, constructed with cedar posts, Georgia pine rails, and white pine planks and painted. He asks that the work be done under the direction of Superintendent L. E. Bond, and that the cost of the fence be charged to the \$2,500 appropriated for improving and enclosing the grounds of Hubbard School. He states that the estimated cost of the proposed fence is \$415.80.

The recommendation has been approved by Capt. D. D. Gaillard, and it is expected that his associates will acquiesce in the decision.

12 quart bottles of "Golden Hop" BEER Only \$1.
